

Overall Description

The Robertson Life Sciences Building (RLSB) is a collaboration between Portland State University (PSU) and Oregon Health & Science University (OHSU). PSU spaces can be found on floor levels 1 through 4.

On sub-basement B2 / parking P2 of RLSB, there are four elevator vestibules with access to the upper floors. Elevator vestibule P2NV001 with access to elevator P2NE003 has direct access from parking P2A100. The entrance to elevator vestibule P2NV001 may be found on the north wall of the parking P2A100 approximately 100 feet to the west of the eastern wall of the parking garage. Elevator P2NE003 provides access to floors B2 and 1 through 12 of the north tower.

The entrance to vestibule P2NV002 is immediately to the east of elevator vestibule P2NV001. Vestibule P2NV002 provides access to northeast stairwell P2NS001 and elevator lobby P2NL001. Northeast stairwell P2NS001 provides access to all floors of the north tower (no rooftop / penthouse access). Elevator P2NE004 is located in the southwest corner of elevator lobby P2NL001, accessible to the north and to the west of vestibule P2NV002. Elevator P2NE004 provides access to floors B2 and 3 through 7 of the north tower. A fully-accessible single-occupancy all-gender restroom P2N032 is located near the center of elevator vestibule P2NL001 on the eastern wall.

Vestibule P2NV100 is located in the northwest corner of parking P2A100. Vestibule P2NV100 provides access to stairwell P2NS002 and elevator lobby P2NL101. Stairwell P2NS002 provides access to all floors of the north tower (with restricted access to roof / penthouse). Elevator P2NE009 is located on the north wall of the elevator lobby P2NL101 to the northwest of vestibule P2NV100. Elevator P2NE009 provides access to all floors of the north tower (no rooftop / penthouse access).

Elevator vestibule P2SV001 is located in the center of the southwest quadrant of parking P2A100. Elevators P2SE005 and P2SE006 are located on the east wall of elevator vestibule P2SV001. Elevator P2SE005 provides access to sub-basement B2 / parking P2, basement B1 / parking P1, and floors 1 through 5 of the south tower. Elevator P2SE006 provides access to all floors of the south tower.

Restrooms

A fully-accessible single-occupancy all-gender restroom P2N032 is located near the center of elevator vestibule P2NL001 on the eastern wall.

Wheelchair Accessible Entrances and Exits

On sub-basement B2 / parking P2, there are no public entrances or exits, accessible or otherwise. Wheelchair access to sub-basement B2 / parking P2 is made via elevator 1NE009 from first floor elevator lobby 1NL101.

Elevators

On sub-basement B2 / parking P2 of RLSB, there are four elevator vestibules with access to the upper floors. Elevator vestibule P2NV001 with access to elevator P2NE003 has direct access from parking P2A100. The entrance to elevator vestibule P2NV001 may be found on the north wall of the parking P2A100 approximately 100 feet to the west of the eastern wall of the parking garage. Elevator P2NE003 provides access to floors B2 and 1 through 12 of the north tower.

The entrance to vestibule P2NV002 is immediately to the east of elevator vestibule P2NV001. Vestibule P2NV002 provides access to elevator lobby P2NL001. Elevator P2NE004 is located in the southwest corner of elevator lobby P2NL001, accessible to the north and to the west of vestibule P2NV002. Elevator P2NE004 provides access to floors B2 and 3 through 7 of the north tower.

Vestibule P2NV100 is located in the northwest corner of parking P2A100. Vestibule P2NV100 provides access to elevator lobby P2NL101. Elevator P2NE009 is located on the north wall of the elevator lobby P2NL101 to the northwest of vestibule P2NV100. Elevator P2NE009 provides access to all floors of the north tower (no rooftop / penthouse access).

Elevator vestibule P2SV001 is located in the center of the southwest quadrant of parking P2A100. Elevators P2SE005 and P2SE006 are located on the east wall of elevator vestibule P2SV001. Elevator P2SE005 provides access to sub-basement B2 / parking P2, basement B1 / parking P1, and floors 1 through 5 of the south tower. Elevator P2SE006 provides access to all floors of the south tower.

Stairs

The entrance to vestibule P2NV002 is immediately to the east of elevator vestibule P2NV001. Vestibule P2NV002 provides access to northeast stairwell P2NS001. Northeast stairwell P2NS001 provides access to all floors of the north tower (no rooftop / penthouse access).

Vestibule P2NV100 is located in the northwest corner of parking P2A100. Vestibule P2NV100 provides access to stairwell P2NS002. Stairwell P2NS002 provides access to all floors of the north tower (with restricted access to roof / penthouse).

Overall Description

The Robertson Life Sciences Building (RLSB) is a collaboration between Portland State University (PSU) and Oregon Health & Science University (OHSU). PSU spaces can be found on floor levels 1 through 4.

The parking entrance on basement B1 / parking P1 of RLSB is located on the Meade Street or north side of the building toward the northwest. On the basement B1 / parking P1 level, there are two elevator vestibules with access to the upper floors. Elevator vestibule P1N110G with access to elevators P1NE007, P1NE008, and P1NE009 is within suite 110 and accessible from the street on the northwest corner of the building. Elevator P1NE007 and P1NE008 provide access to floor B1 and 8 through 12 of the north tower. Elevator P1NE009 provides access to all floors of the north tower (no rooftop / penthouse access). Two fully-accessible single-occupancy all-gender restrooms P1N110D and P1N110E are located to the east of elevator vestibule P1N110G.

Elevator vestibule P1SV001 is located on the south wall of parking P1A100 toward the west. Elevators P1SE005 and P2NE006 are located on the east wall of elevator vestibule P1SV001. Elevator P2NE005 provides access to sub-basement B2 / parking P2, basement B1 / parking P1, and floors 1 through 5 of the south tower. Elevator P2NE006 provides access to all floors of the south tower.

Two stairwells on basement B1 / parking P1 of RLSB provide access to the upper floors. Stairwell P1SS04 is located in the southeast corner of parking P1A100 with access to basement B1 / parking P1 and floors 1 through 5 of the south tower.

Stairwell P1NS001 is located in the northeast corner of parking P1A100 with access to all floors of the north tower (no rooftop / penthouse access).

Restrooms

Two fully-accessible single-occupancy all-gender restrooms P1N110D and P1N110E are located to the east of elevator vestibule P1N110G.

Wheelchair Accessible Entrances and Exits

On basement B1 / parking P1, there is one wheelchair accessible entrance on the northwest corner of the building. Accessible parking is located on basement B1 / parking P1 level with internal access to the north tower elevator vestibule in the northwest corner of the building. The parking entrance on basement B1 / parking P1 of RLSB is located on the Meade Street or north side of the building toward the northwest.

Elevators

On the basement B1 / parking P1 level, there are two elevator vestibules with access to the upper floors. Elevator vestibule P1SV001 is located on the south wall of parking P1A100 toward the west. Elevators P1SE005 and P2NE006 are located on the east wall of elevator vestibule P1SV001. Elevator P2NE005 provides access to sub-basement B2 / parking P2, basement B1 / parking P1, and floors 1 through 5 of the south tower. Elevator P2NE006 provides access to all floors of the south tower.

Stairs

Two stairwells on basement B1 / parking P1 of RLSB provide access to the upper floors. Stairwell P1SS04 is located in the southeast corner of parking P1A100 with access to basement B1 / parking P1 and floors 1 through 5 of the south tower.

Stairwell P1NS001 is located in the northeast corner of parking P1A100 with access to all floors of the north tower (no rooftop / penthouse access).

Overall Description

The Robertson Life Sciences Building (RLSB) is a collaboration between Portland State University (PSU) and Oregon Health & Science University (OHSU). PSU spaces can be found on floor levels 1 through 4.

On the first floor of RLSB, wheelchair accessible entrances are located on the east and west sides of the building. On the east side of the building, wheelchair accessible entrances are located north and south of center. On the west side of the building, wheelchair accessible entrances are located north and south of center. The wheelchair accessible entrance north of center on the east side of the building passes through vestibule 1AV002 into the main building lobby 1AL001. The main north tower elevator lobby 1NL001 is immediately to the north of this entrance. Elevators 1NE001 and 1NE002 in elevator lobby 1NL001 provide access to floors 1 through 12 of the north tower. Elevator 1NE003 in elevator lobby 1NL001 provides access to sub-basement B2 / parking P2 and floors 1 through 12 of the north tower.

Northeast stairwell 1NS001A is located immediately to the east of elevator lobby 1NL001. Northeast stairwell 1NS001A provides access to all floors of the north tower (no rooftop / penthouse access).

Public restrooms are located in corridor 1NC006 to the west of elevator lobby 1NL001. Women's restroom 1N059 is located to the north of the water fountains, and men's restroom 1N061 is located to the south of the water fountains in corridor 1NC006.

Corridor 1NC003 with access to biology labs 1N043, 1N044, 1N046, and 1N056 is located immediately north of corridor 1NC006. On the west side of corridor 1NC003 at the north end, a small niche leads north into biology lab 1N056. The north / Meade Street vestibule 1NV001 of the building is located immediately north of corridor 1NC003. Vestibule 1NV001 provides access to and from Meade Street via a small set of stairs. On the east side of corridor 1NC003 at the north end, corridor 1NC001 provides access to biology labs 1N043, 1N044, and 1N046.

Biology lab 1N046 is located on the north side of corridor 1NC001 toward the west end. Biology lab is located on the north side of corridor 1NC001 toward the east end. Biology lab 1N043 is located on the south side of corridor 1NC001 toward the east end. Corridor 1NC005 is located on the south side of corridor 1NC001 at the east end with access to elevator lobby 1NL001.

The wheelchair accessible entrance south of center of the east side of the building passes through vestibule 1AV004 into the main building lobby 1AL001. Near the center of the south wall of the lobby, corridor 1SC004 provides access to lactation room 1S011, fully-accessible single-occupancy all-gender restroom 1S013, men's restroom 1S015, women's restroom 1S017, and retail services. Lactation room 1S011 is located to the west of corridor 1SC004. A small niche on the west side at the south end of corridor 1SC004 provides access to fully-accessible single-

occupancy all-gender restroom 1S013 and men's restroom 1S015. The fully-accessible single-occupancy all-gender restroom 1S013 is located to the north of that niche, while the men's restroom 1S015 is located to the west of the niche. Women's restroom 1S017 is located on the east side of corridor 1SC004 at the south end. A short set of stairs and a chair lift at the south end of corridor 1SC004 provide access to retail services.

The wheelchair accessible entrance south of center of the west side of the building passes through vestibule 1AV006 into corridor 1SC001 with access to elevator lobby 1SL101 and southwest stairwell 1SS003A. Southwest stairwell 1SS003A is located west of center of the south side of corridor SC1001 and provides access to floors 1 through 6 of the south tower. Elevator lobby 1SL101 is located in the center of the south side of corridor 1SC001. Elevator 1SE005 near the north on the east side of elevator lobby 1SL101 provides access to sub-basement B2 / parking P2, basement B1 / parking P1, and floors 1 through 5 of the south tower. Elevator 1SE006 near the center on the east side of elevator lobby 1SL101 provides access to all floors of the south tower.

The wheelchair accessible entrance north of center of the west side of the building passes through vestibule 1AV008 into a long corridor. To the southeast of this corridor is the wheelchair ramp to vestibule 1A014. Vestibule 1A014 is the accessible entrance to classroom 1A001. Wheelchair users may cross the stage to the switchback ramp on the west side of the stage to access the front row of seating with accessible furniture and wheelchair parking. The main building lobby 1AL001 is located to the east of classroom 1A001.

Several additional stairwells provide access to PSU space on floors 2 through 4. In the southwest corner of the north tower, one additional entrance provides restricted access to the building via keycard access. This entrance leads to northwest stairwell 1NS002. Stairwell 1NS002 provides access to all floors of the north tower of the building, including restricted access to the penthouse / roof.

In the southeast corner of the building, stairwell 1SS004 provides access to all floors of the south tower (no penthouse / roof access). To the west of the main building lobby 1AL001, a short set of stairs leads up to a platform providing access to vestibule 1A014 and stairwell 1AS055. Stairwell 1AS055 is located at the south end of the platform and provides access to floors 1 and 2 only. Stairwell 1AS006 is located at the north end of the main building lobby 1AL001, behind the security kiosk 1AL002. Stairwell 1AS006 provides access to floors 1 through 3 only.

Restrooms

Public restrooms are located in corridor 1NC006 to the west of elevator lobby 1NL001. Women's restroom 1N059 is located to the north of the water fountains, and men's restroom 1N061 is located to the south of the water fountains in corridor 1NC006.

Near the center of the south wall of the lobby, corridor 1SC004 provides access to lactation room 1S011, fully-accessible single-occupancy all-gender restroom 1S013, men's restroom

1S015, and women's restroom 1S017. Lactation room 1S011 is located to the west of corridor 1SC004. A small niche on the west side at the south end of corridor 1SC004 provides access to fully-accessible single-occupancy all-gender restroom 1S013 and men's restroom 1S015. The fully-accessible single-occupancy all-gender restroom 1S013 is located to the north of that niche, while the men's restroom 1S015 is located to the west of the niche. Women's restroom 1S017 is located on the east side of corridor 1SC004 at the south end. A short set of stairs and a chair lift at the south end of corridor 1SC004 provide access to retail services.

Wheelchair Accessible Entrances and Exits

On the first floor of RLSB, wheelchair accessible entrances are located on the east and west sides of the building. On the east side of the building, wheelchair accessible entrances are located north and south of center. On the west side of the building, wheelchair accessible entrances are located north and south of center.

Elevators

The main north tower elevator lobby 1NL001 is located to the north of the main building lobby 1AL001. Elevators 1NE001 and 1NE002 in elevator lobby 1NL001 provide access to floors 1 through 12 of the north tower. Elevator 1NE003 in elevator lobby 1NL001 provides access to sub-basement B2 / parking P2 and floors 1 through 12 of the north tower.

The wheelchair accessible entrance south of center of the west side of the building passes through vestibule 1AV006 into corridor 1SC001 with access to elevator lobby 1SL101. Elevator lobby 1SL101 is located in the center of the south side of corridor 1SC001. Elevator 1SE005 near the north on the east side of elevator lobby 1SL101 provides access to sub-basement B2 / parking P2, basement B1 / parking P1, and floors 1 through 5 of the south tower. Elevator 1SE006 near the center on the east side of elevator lobby 1SL101 provides access to all floors of the south tower.

Stairs

Northeast stairwell 1NS001A is located immediately to the east of elevator lobby 1NL001. Northeast stairwell 1NS001A provides access to all floors of the north tower (no rooftop / penthouse access).

Vestibule 1NV001 provides access to and from Meade Street via a small set of stairs.

A short set of stairs at the south end of corridor 1SC004 provides access to retail services.

The wheelchair accessible entrance south of center of the west side of the building passes through vestibule 1AV006 into corridor 1SC001 with access to southwest stairwell 1SS003A. Southwest stairwell 1SS003A is located west of center of the south side of corridor SC1001 and provides access to floors 1 through 6 of the south tower.

In the southwest corner of the north tower, one additional entrance provides restricted access to the building via keycard access. This entrance leads to northwest stairwell 1NS002. Stairwell

1NS002 provides access to all floors of the north tower of the building, including restricted access to the penthouse / roof.

In the southeast corner of the building, stairwell 1SS004 provides access to all floors of the south tower (no penthouse / roof access). To the west of the main building lobby 1AL001, a short set of stairs leads up to a platform providing access to vestibule 1A014 and stairwell 1AS055. Stairwell 1AS055 is located at the south end of the platform and provides access to floors 1 and 2 only. Stairwell 1AS006 is located at the north end of the main building lobby 1AL001, behind the security kiosk 1AL002. Stairwell 1AS006 provides access to floors 1 through 3 only.

Overall Description

The Robertson Life Sciences Building (RLSB) is a collaboration between Portland State University (PSU) and Oregon Health & Science University (OHSU). PSU spaces can be found on floor levels 1 through 4. On the second floor of RLSB, PSU spaces are located in the north tower only.

On the second floor of RLSB, wheelchair entry to floor level 2 is made via elevator. Elevator lobby 2NL001 is located in the southeast corner of the north tower. Elevators 2NE001 and 2NE002 in elevator lobby 2NL001 provide access to floors 1 through 12 of the north tower. Elevator 2NE003 in elevator lobby 2NL001 provides access to sub-basement B2 / parking P2 and floors 1 through 12 of the north tower. Northeast stairwell 2NS001 is located immediately southeast of elevator lobby 2NL001.

Biology lab 2N004 is located immediately east of elevator lobby 2NL001. Corridor 2NC001 to the east of elevator lobby 2NL001 provides access to biology labs 2N004, 2N016, & 2N026 and corridors 2NC002 & 2NC006. Biology lab 2N016 is located near the center of the east side of corridor 2NC001. Biology lab 2N026 is located at the north end of the east side of corridor 2NC001. Corridor 2NC002 with access to biology labs 2N036, 2N046, & 2N047, chemistry labs 2N056 & 2N066, and corridor 2NC003 is located north of center of the west side of corridor 2NC001. Corridor 2NC006 with access to men's restroom 2N015 and women's restroom 2N013 is located near the center of the west side of corridor 2NC001. Men's restroom 2N015 is located near the east end on the north side of corridor 2NC006. Women's restroom 2N013 is located at the west end of corridor 2NC006.

Biology lab 2N036 is located at the east end on the north side of corridor 2NC002. Biology lab 2N046 is located east of center of the north side of corridor 2NC002. Biology lab 2N047 is located east of center of the south side of corridor 2NC002. Chemistry lab 2N056 is located west of center of the north side of corridor 2NC002. Chemistry lab 2N066 is located at the west end on the north side of corridor 2NC002. Corridor 2NC003 with access to biology labs 2N103 & 2N109, chemistry lab 2N111, and corridor 2NC005 is located at the west end of corridor 2NC002.

Chemistry lab 2N111 is located at the north end on the west side of corridor 2NC003. Biology lab 2N109 is located north of center of the west side of corridor 2NC003. Biology lab 2N103 is located at the south end of the west side of corridor 2NC003. An additional entrance to biology lab 2N103 is located toward the west end on the north side of corridor 2NC005. Corridor 2NC005 with access to elevator lobby 2NL001, stairwells 2NS001 & 2NS002, chemistry labs 2N079, 2N089, & 2N099, biology lab 2N103, and corridors 2NC001, 2NC003, & 2NC004 is located at the south end of corridor 2NC003.

Corridor 2NC005 runs east west along the south side of the north tower. Stairwell 2NS001 is located at the east end of corridor 2NC005. Elevator lobby 2NL001 is located at the east end on the north side of corridor 2NC005. Chemistry lab 2N079 is located east of center on the north side of corridor 2NC005. Chemistry lab 2N089 is located near the center on the north side of corridor 2NC005. Chemistry lab 2N099 is located west of center on the north side of corridor 2NC005. Corridor 2NC003 is located between chemistry lab 2N099 and biology lab 2N103 on the north side of corridor 2NC005. Biology lab 2N103 is located near the west end on the north side of corridor 2NC005. Corridor 2NC004 with access to biology lab 2N108A and elevator lobby 2NL101 is located at the west end on the north side of corridor 2NC005. Elevator 2NE009 is located on the north side of elevator lobby 2NL101 and provides access to all floors of the north tower (no rooftop / penthouse access). Stairwell 2NS002 with access to all floors of the north tower of the building, including restricted access to the penthouse / roof is located at the west end of corridor 2NC005.

Biology lab 2N108A is located at the north end of corridor 2NC004. Elevator lobby 2NL101 is located at the south end on the west side of corridor 2NC004. Elevator 2NE009 provides access to all floors of the north tower (no rooftop / penthouse access).

A bridge located near the center on the south side of corridor 2NC005 provides access to 2A003 at the south end. 2A003 is located to the south of classroom 1A001 and provides access to the back row of seating of classroom 1A001, including additional wheelchair parking.

Restrooms

Corridor 2NC001 to the east of elevator lobby 2NL001 provides access to corridor 2NC006. Corridor 2NC006 with access to men's restroom 2N015 and women's restroom 2N013 is located near the center of the west side of corridor 2NC001. Men's restroom 2N015 is located near the east end on the north side of corridor 2NC006. Women's restroom 2N013 is located at the west end of corridor 2NC006.

Wheelchair Accessible Entrances and Exits

On the second floor of RLSB, wheelchair entry to floor level 2 is made via elevator. Elevator lobby 2NL001 is located in the southeast corner of the north tower. Elevators 2NE001 and 2NE002 in elevator lobby 2NL001 provide access to floors 1 through 12 of the north tower. Elevator 2NE003 in elevator lobby 2NL001 provides access to sub-basement B2 / parking P2 and floors 1 through 12 of the north tower.

Elevator 2NE003 in elevator lobby 2NL001 provides access to sub-basement B2 / parking P2 and floors 1 through 12 of the north tower.

Corridor 2NC004 with access to elevator lobby 2NL101 is located at the west end on the north side of corridor 2NC005. Elevator 2NE009 is located on the north side of elevator lobby 2NL101 and provides access to all floors of the north tower (no rooftop / penthouse access).

Stairs

Corridor 2NC005 runs east west along the south side of the north tower. Stairwell 2NS001 is located at the east end of corridor 2NC005. Stairwell 2NS002 with access to all floors of the north tower of the building, including restricted access to the penthouse / roof is located at the west end of corridor 2NC005.

Overall Description

The Robertson Life Sciences Building (RLSB) is a collaboration between Portland State University (PSU) and Oregon Health & Science University (OHSU). PSU spaces can be found on floor levels 1 through 4. On the third floor of RLSB, PSU spaces are located in the north tower only.

On the third floor of RLSB, wheelchair entry to floor level 3 is made via elevator. Elevator lobby 3NL001 is located in the southeast corner of the north tower. Elevators 3NE001 and 3NE002 in elevator lobby 3NL001 provide access to floors 1 through 12 of the north tower. Elevator 3NE003 in elevator lobby 3NL001 provides access to sub-basement B2 / parking P2 and floors 1 through 12 of the north tower. Northeast stairwell 3NS001 is located immediately southeast of elevator lobby 3NL001. Break room 3N004 and lounge 3N002 are located immediately east of elevator lobby 3NL001.

Corridor 3NC002 is located immediately south of elevator lobby 3NL001 and runs east and west along the south side of the north tower. Stairwell 3NS001 with access to all floors of the north tower (no rooftop / penthouse access) is located at the east end of corridor 3NC002. Stairwell 3NS002 with access to all floors of the north tower of the building, including restricted access to the penthouse / roof is located at the west end of corridor 3NC002. Near the west end on the north side of corridor 3NC002, a small niche provides access to men's restroom 3N101 to the east and women's restroom 3N103 to the west of the niche. At the west end, corridor 3NC002 bends to the north. Elevator lobby 3NL101 is located toward the north end on the west side of this leg of corridor 3NC002. Elevator 3NE009 is located on the north side of elevator lobby 3NL101 and provides access to all floors of the north tower (no rooftop / penthouse access). Hallway 3NH102 with access to biology research lab 3N098 is located at the north end of that north leg of corridor 3NC002. Keycard access required to enter research labs.

Biology research lab 3N098 is located near the center on the north side of hallway 3NH102. Chemistry research lab 3N076 is located directly to the north of biology research lab 3N098, across hallway 3NH078. Chemistry research lab 3N072 is located two research labs to the west of chemistry research lab 3N076, on the north side of hallway 3NH078.

Restrooms

Near the west end on the north side of corridor 3NC002, a small niche provides access to men's restroom 3N101 to the east and women's restroom 3N103 to the west of the niche.
