RULE SUMMARY

This rule making action will make permanent a temporary rule currently in place regarding the procedure for a student to challenge the content of the student's education record. Portland State University is required to comply with the federal Family Educational Rights and Privacy Act of 1974, 20 USC 1232g, and the U.S. Department of Education's rules regarding student records. This new permanent rule mirrors the federal requirements found in 34 CFR 99.22.

The agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing the negative economic impact of the rule on business.
