Absent:

Jackie, Kevin, Marc, Michael F., Melody, Alan

Duncan Carter, Association Dean in the College of Liberal Arts and Sciences, did a final read through of the draft report and reported on suggested changes/edits.

A comment was made that the recommendations seemed a little vague; each recommendation was revisited to assure inclusion of who, what, and by when.

The final edit will be distributed to the committee next week. Upon approval the report will be forwarded to President Wiewel and the PSU Executive Committee.
