The “All Born In” Cross Disability Conference is the result of a partnership between the Northwest Down Syndrome Association and the Department of Special Education at Portland State University. This partnership was established in 2006 and was initiated by Angela Jarvis-Holland, executive director of NWDSA, and Professors Paula J. Stanovich and Ruth Falco from PSU. The “All Born In” conference offers parents and professionals the opportunity to come together to explore and celebrate inclusive education.

The banner features two photographs at the top: one of a young woman and a young man smiling, and another of two young children. Below the photos are logos for NWDSA, Portland State University, CLEAN COPY, CHINS (Beauty Asian Hair Salon & Day Spa), United Way, and the conference title "ALL BORN 'IN' A cross disability Inclusion Conference". The text "We thank our generous partners" is prominently displayed, followed by the website [www.NWSDA.org](http://www.NWSDA.org). At the bottom, logos for Cosgrave Vergeer Kester LLP, CSEPA (Cultural Services & Educational Professionals Association), and Philip Tang are shown, along with the names of the donors: Mark Bocci, PC; Bottini, Bottini & Oswald, PC; Mr. and Mrs. Jim Gidley (individual donor); and Philip Tang (individual donor).
