

## SAMPLE INTERNSHIP DESCRIPTION – NOT CURRENTLY OPEN – FOR INFORMATION ONLY

### Summer Internship Solar World

#### Overview:

##### The Company

Solar World is one of the premier global providers of solar energy systems for alternative energy production. Solar World Industries America (SWIA) integrates the full value-chain of solar photovoltaic production from silicon as the raw material all the way to modules, Sunkits™ and turn-key solar power plants. SWIA facilities are located in Hillsboro, Oregon; Camarillo, California and Vancouver, Washington. SWIA is fully-focused on enabling the solar revolution for clean and sustainable alternative energy - At Solar World, "Every Day is a Sunny Day"!

#### Responsibilities:

***SolarWorld has filled all current openings for our USA 2009 Intern Program. However, we welcome you to apply for an opportunity to participate in our 2010 Internship Program. We will begin reviewing resumes for the 2010 Internship Program in Fall of 2009.***

Do you want to save the world? You can be a hero by joining one of the world's leading solar photovoltaic (PV) companies! At SolarWorld, you will have the opportunity to help develop one of the world's cleanest and most environmentally-responsible forms of sustainable energy production.

We are looking for everyday heroes who are highly-motivated to grow North America's largest Solar PV production capability under one company! If you are proactive, entrepreneurial and enthusiastic about sustainable energy, we invite you to "Come Shine with Us!"

SolarWorld is looking for creative, innovative students with a passion for saving the world. We offer real world opportunities in the rapidly expanding solar industry. SolarWorld offers paid internships that focus on innovative students. The terms of your internship are based on what your academic schedule will allow. Many of our students join us for their summer breaks. However, if you are able to intern with us at different times throughout the year, we would like to hear from you. Please indicate the start and ending dates you will be available to internship with us.

If this sounds like the perfect fit for you, please apply. We look forward to adding you to our winning team.
