PSU Alert Emergency Notification System Privacy & Terms of Use

Privacy

Contact information collected is for use in the PSU Alert only. PSU will not use this information for any other purpose than emergency notification. See PSU Educational Records Policy at:
<http://www.pdx.edu/registration/privacy.html>

Participant Conduct

This service is designed to alert you when an emergency requires PSU community attention or action. It is crucial that you:

- **DO** input your information completely and accurately
- **DO** update you information when it changes
- **DO NOT** input false contact information
- **DO NOT** input others' contact information

Costs of Service

The PSU Alert emergency notification is provided to active PSU staff, faculty and students. Participants are responsible for charges made by service providers related to text messages and mobile phone calls. Ask your carrier about specific costs and plans.

Testing

The PSU Alert emergency notification system will be tested. Additional testing may be conducted as part of drills, exercises, or as necessary to select targeted groups.

Violations or More Information

To report any violations of these terms of use or request information about PSU Alert, contact the **Emergency Management Unit** at:
