

FORM  
for APPROVAL of COURSES TAKEN AT OTHER DEPARTMENTS  
by MA students in economics

Who should use this form: MA students who want to take courses from other departments at PSU and petition to count these courses for credit towards their MA degree in economics.

Student must explain how this course is related to the student's MA studies in economics. It is recommended that the student discusses this course with his/her advisor. If the course is not closely related to economics, or less rigorous than typical economic electives, student must provide sufficient documentation and information about this course. This can include but is not limited to course syllabus, reading list, and assignments.

Courses taken at other departments can count for **maximum of 8 credits** towards the MA degree in economics.

**Deadline** to submit this form: Friday of week 6 in the quarter preceding the quarter when course is proposed to be taken. Submit this form to the Chair of the Graduate Committee or to the front office.
