

Economics 202 Fall 2009
Prof. John Walker Ch241-O
Hours: 10:10-11:10 MWF

Text: Krugman and Wells, Macroeconomics, 2nd edition

There will be three short (30-35 questions) multiple choice exams and one long final exam (about 75 questions). Your grade will be determined by the two best short exam scores and the final score. Take all three short exams if you can, it improves your odds. You must take the final on time. There are no make up exams
