

Sept 23, 2010

1. Brainstorm on projects for the year (list all)
2. Prioritize somehow

Projects/tasks/activities that have been mentioned before - in no order

- increase research funding levels
- coordinate new hires
- recruit PhD from more places (including PhD recruit travel and faculty travel to visit target schools)
- building and facilities plan
  - field site
  - equipment
- grad curriculum development (630 core & grad-only courses)
- director search
- visibility
- research group development
