Application guide for the Direct Parent PLUS is on the reverse side of this form | www.pdx.edu/finaid/parents-page**Disbursement** | Your Federal PLUS loan will be applied directly to your student's university billing account. Any funds in excess of what is owed the university will be forwarded to the student in the form of a refund. If you prefer the refund check from the Federal PLUS loan to be mailed to you, please indicate this below. Send remaining refund from the Federal PLUS to the parent borrower at the address listed below.

Once your Federal Parent PLUS loan is approved, new Parent PLUS loan borrowers will be required to complete a Master Promissory Note (MPN). Please indicate how would prefer to complete these requirements below.

- I will complete the PLUS MPN electronically at www.studentloans.gov
- I will complete a paper PLUS MPN | The Direct Loan Servicer will provide you a paper signature option.
- I previously completed a PLUS MPN for this student and did not require an endorser.

The parent borrower of the PLUS loan must complete the following:

Federal Direct Parent PLUS Loan Application

This Federal Direct PLUS Loan Application provides Portland State University with the information needed to create your Direct PLUS Loan. PLUS loans are available to parents of dependent undergraduate students enrolled at least half time in an eligible program. The PLUS loan is a low-interest, unsubsidized loan available to parents to supplement their children's financial aid package, up to the school's cost of attendance.

Only the student's biological, adoptive or step parents are eligible to borrow a Federal Parent PLUS loan. Parents are required to be a U.S. citizen or eligible non-citizen, not be in default on a federal student loan, not owe repayment on a federal educational grant and have an acceptable credit history. If a PLUS Loan applicant does have an adverse credit history, he or she might still be able to receive a loan by documenting existing extenuating circumstances or by obtaining an endorser who does not have an adverse credit history. An endorser is someone who agrees to repay the loan if the borrower fails to do so. A credit check will be performed during the application process.

The Federal Direct PLUS Loan Program

Direct PLUS loans have an origination fee of up to 4% of the loan amount borrowed and have an interest rate of 7.9% percent.

Parent PLUS loan borrowers whose funds were first disbursed on or after July 1, 2008, have the option of delaying their repayment on the PLUS loan either 60 days after the loan is fully disbursed or six months after the dependent student is not enrolled at least half-time. During this time, interest may be paid by the parent or capitalized.

Parents have the choice of repayment plans. How much you pay and how long you take to repay your loans will vary depending on the repayment plan you choose. There are several repayment plans available. For repayment plan information, please visit www.studentloans.gov

The PLUS Master Promissory Note (MPN)

The Master Promissory Note (MPN) is a legal document in which borrowers promise to repay their loan(s) and any accrued interest and fees to the U.S. Department of Education. It also explains the terms and conditions of the Federal loan(s).

Parents may borrow additional Direct PLUS Loans on a single MPN for up to 10 years as long as a disbursement was made within 12 months of the original signature date.

The MPN may be electronically signed using your FAFSA PIN at www.studentloans.gov. If you do not have a FAFSA PIN, you may apply for one from the U.S. Department of Education at www.pin.gov.

Completing the paper application | what to expect

All information submitted on this application is strictly privileged in accordance with the Family Educational Rights and Privacy Act (FERPA) more info at www.ed.gov.

1. Complete the Application | Parent borrowers will complete the paper PLUS application which indicates the amount to borrow, refund preference and borrower information and return it to Portland State University Office of Student Financial Aid for processing.

2. Program Eligibility | The PSU Office of Student Financial Aid will verify that you and your student are eligible to participate in the Federal Parent PLUS program. Once your eligibility is confirmed, the school will request the U.S. Department of Education's Direct Loan Servicer to perform a credit check and deliver a credit decision to the school. You will be notified from Direct Loans via mail of the credit results.

3. If the Direct Loan Servicer approves your credit, the School will add your PLUS loan to your student's financial aid award, originate and send your Federal PLUS loan to Direct Loans for processing. If The Direct Loan Servicer does not approve your credit, you have the option to add an endorser to your Federal PLUS loan application. If you do not wish to add an endorser to your Federal PLUS loan application, contact the Portland State Office of Student Financial Aid because your student may be eligible to borrow an additional Federal Unsubsidized Stafford loan.

4. Once Direct Loans receives a PLUS loan application from the school, they will search for a Master Promissory Note (MPN). If you have previously signed a MPN, Direct Loans will match your active MPN which they have on file to your PLUS loan, notify the school and begin disbursement according the disbursement schedule that the school has set up. PSU begins disbursement to student accounts as early as ten days before the beginning of each term. If you do not have an active MPN, you will receive a request via mail from the Direct Loan Servicer with your MPN electronic and paper signature options.
