

**Teacher**

**Italy**

I was a resident of Italy on the date of my arrival in the United States. I am not a United States citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

I am a professor or teacher visiting the United States for the purpose of teaching or performing research at the Oregon University System, which is an educational institution or a medical facility, primarily funded from governmental sources. I will receive compensation for my teaching or research activities. Any research I perform will be undertaken in the general interest and not primarily for the private benefit of a specific person or persons.

The compensation received during the entire tax year (or during the period from \_\_\_\_\_ to \_\_\_\_\_) qualifies for exemption from withholding of federal tax under the tax treaty between the United States and Italy. I have not claimed an income tax exemption for income received as a teacher, researcher, or student before the date specified in the next paragraph.

I arrived in the United States on \_\_\_\_\_ **[insert the date of your last arrival in the United States before beginning teaching or research services for which exemption is claimed]**. The treaty exemption is available only for compensation received during a period of two years beginning on that date.
