

“Learning to address problems from the community’s perspective — that stays with me.”

— Michael D. Schrunk, Multnomah County District Attorney, BS, Economics, Class of '64

MIKE SCHRUNK WAS A VIKING ON THE FOOTBALL FIELD AND BASKETBALL COURT.

He’s also quick to recognize the teamwork that distinguishes every Portland State student’s experience. The internships and pilot projects. The strong community alliances. The commitment to our economic and cultural well-being. And as Multnomah County District Attorney since 1981, he continues to witness PSU’s collaborative approach to improving the region’s quality of life.

Mike’s time at Portland State remains with him — that’s why he’s a contributor to ***Building Our Future***, PSU’s \$100 million capital campaign. To join him in expanding your urban university’s role as an essential partner in the community, call 503-725-4PSU, e-mail give@pdx.edu or visit www.pdx.edu/giving.
