2009 - 2010 Bulletin

**Portland State University**  
School of Fine & Performing Arts  
Department of Music

The music education program is a curriculum designed to prepare students for licensure for teaching in the State of Oregon. Students may do this in two ways: either complete the Bachelor of Music with emphasis in Music Education or complete a Bachelor's degree in Music (BA, BM, MS) and complete the courses listed below. Students will then be prepared to enter the GTEP (Graduation Teacher Education Program) to complete student teaching and further licensing requirements.
