

# Economic Census Conferences for Data Users

Hosted by the Portland State University Population Research Center

Two sessions led by Census Bureau instructors will be held on campus on Thursday, May 6<sup>th</sup>, 2010. The conferences are **FREE**, but seating is limited, so please reserve your space by contacting the PSU Population Research Center at [askprc@pdx.edu](mailto:askprc@pdx.edu) or 503-725-5101. Provide your name, email address, affiliation, and whether you want to attend the morning or afternoon session.

- Morning, 9:00-Noon (registration at 8:30), Cramer Hall Room 1
- Afternoon, 1:30-4:30 (registration at 1:00), Urban Center Room 304

The morning session will be hands-on, with desktop computers provided and laptops welcome (there are more seats than computers).

Conference program:

- Background on the Economic Census: basic concepts and uses of the data
- North American Industry Classification System and Census Geography
- 2007 Economic Census products
- Working with Economic Census data in American FactFinder
- More frequent business data from the Census Bureau

For more information, visit <http://www.census.gov/econ/census07/www/conferences/> or contact Charles Rynerson at the Population Research Center, 503-725-3922.
