

Junior Registration

for students with pre-junior status

This form allows students who will earn 90 credits by the end of the *current* term to register for classes restricted to Junior standing. In order to register for 300-level business classes, a student must be enrolled in enough credits to put their class standing as Junior at the end of the current term. Only students who will have the required 90 credits by the end of the *current* term and *before* attending the junior-level course may use this form.

Student Name (please print) _____
Last First Student ID Number

Day Phone _____

Current credit count _____
(PSU)

Number of credits currently enrolled in _____
(Attach course schedule if not at PSU)

I would like to take the following 300 level business courses _____ (year/term):

* If you will be transferring the needed credit to PSU you will need to have an official, sealed copy of your transcripts sent to the Office of Admissions as soon as your grades are posted and bring a copy of your grade slip to the SBA Student Services Office Rm. 240.

I understand I am responsible for ensuring all credits required will be completed at the end of the current term. If I do not earn the credits I have indicated and therefore do not have the 90 credits required for junior standing either by dropping a class, earning an incomplete, failing a class, or failing to transfer credits to PSU, I will be administratively dropped from any course(s) restricted to junior standing. I also understand that I will still be responsible for any registration fees incurred if I am administratively dropped from a course.
