

The State University of New York
School of Public Health and Health Professions
Department of Social and Preventive Medicine, Buffalo, NY 14214

- 2001-2008 Adjunct Associate Research Professor,
Roswell Park Cancer Institute
Division of the Graduate School, Buffalo, NY 14263
- 1997-2000 Assistant Professor, American University,
Department of Health and Fitness, Washington, DC 20016
- 1995-1997 Public Health Analyst, National Institutes of Health, NHLBI
Office of Prevention, Education and Control, Bethesda, MD 20892
- 1991-1995 Health Statistician, Centers for Disease Control and Prevention
National Center for Health Statistics, Hyattsville, MD 20782
- 1993-1997 Adjunct Assistant Professor, Morgan State University
Dept. Health, Physical Education and Recreation, Baltimore, MD 21239
- 1996-1997 Adjunct Assistant Professor, Towson State University
Department of Health Science, Towson, MD 21241
- 1989-1991 Chairman/Assistant Professor, Universidad del Sagrado Corazon
Department of Physical Education, Santurce, PR 00914
- 1989-1991 Instructor/Adjunct Professor, Inter American University,
Graduate School, San Germán, PR 00753
- 1989-1991 Consultant, Wellness Consultant, San Juan PR 00914
- 1986-1989 Research Assistant/Community Health Educator, Loma Linda University
School of Public Health, Loma Linda, CA 92350
- 1984-1986 Research Assistant, Texas Tech University
Dept. Health, Physical Education, Recreation and Dance, Lubbock, TX 79409

Professional memberships

American College of Sports Medicine,
American Public Health Association
American College of Epidemiology

Advisory Panels or Boards:

2007-present Robert Wood Johnson Foundation, Active Living Research, National Advisory
Council.

2008-2009 State of Oregon, Senate Bill 931 Obesity Task Force
2008-2009 State of Oregon, House Bill 3486 Diabetes Prevention Task Force.
2007 Robert Wood Johnson Foundation Childhood Obesity Initiative: A Policy and Research Roundtable with Active Living Research.
2007 Binational Health Week Regional Task Force. Consulate of Mexico in Portland.
2006-2007 State of Oregon Nutrition and Physical Activity Action Plan. Oregon Health Policy Commission, Research Working Group.
2007-present Community Health Partnership, Oregon Public Health Institute, Board of Directors
2006-present Hacienda Community Development Corporation, Board of Directors
2005-2006 Centers for Disease Control and Prevention, Scientific Advisory Board, International Congress on Physical Activity and Public Health
2004-present Pan-American Health Organization. Latin America Obesity Prevention Initiative and Physical Activity Network (Red de Actividad Fisica de las Americas)
2003 Office of Public Health and Science - U.S. DHHS, Minority AIDS Initiative. City of Buffalo Rapid Assessment, Response and Evaluation Project.
2003-2005 New York State Physical Activity and Nutrition Steering Committee
2003 National Institutes of Health, NHLBI, Working Group on Epidemiologic Research on Hispanic Populations: Opportunities, barriers and solutions.
2001-2005 Commonwealth of Puerto Rico, Commission on Physical Activity and Nutrition
2000-2004 American Council on Exercise, Board of Directors (emeritus: 2004-present)
2000-2005 Minority Health Coalition of Buffalo, Board of Directors (2003-2005)
2000-2005 Musicians United for a Superior Education, Board of Directors
1999-2002 Centers for Disease Control and Prevention, National Center for Health Statistics Institutional Review Board for the Protection of Human Subjects
1999-2001 ASPIRA Association, Inc., National Advisory Panel on Substance Abuse and Mental Health Careers
1997-2000 Casa de Maryland, Board of Directors
1996-2000 Salud es Vida, Health Advisory Board, Casa de Maryland
1995 National Institutes of Health Diversity Coordinating Committee, 1995
1995 Department of Health Human Services: Partnership for Hispanic Customer Service Town Meeting, Organizing Committee
1993-1995 U.S. Public Health Service AdHoc Committee on Minority Health Statistics
1991-1995 Survey Response Team, National Center for Health Statistics, NHANES III
1992-1993 American Cancer Society, Committee on socioeconomically disadvantaged population
1991-1992 American Heart Association, Heart at Work sub-committee
1989-1991 Asociación Puertorriqueña del Corazón, Corazón en el Trabajo subcommittee
1990-1991 Juveniles Diabetes Foundation, Puerto Rico chapter, founding committee
1989 National Strength & Conditioning Association, Puerto Rico chapter, founding committee
1989 Federación de Medicina del Deporte de Puerto Rico, re-organizing committee

Grant Review Activities:

2008-present Robert Wood Johnson Foundations, New Connections

2005-2009 National Institutes of Health, full member of Neurology, Aging and Musculoskeletal Epidemiology Study Section (NAME)

2008 National Institutes of Health, Minority Biomedical Research Support (SCORE) Behavioral Panel, National Institute of General Medical Sciences

2007 National Institutes of Health, Establishing Exploratory Minority Health and Health Disparities Centers of Excellence, Special Emphasis Panel (P20-NCMHD)

2007 Netherlands Organization for Health Research and Development. Minister of Health, Welfare and Sport. The Sports, Physical Activity and Health Research Programme (ZonMw).

2006 Medical Research Council, United Kingdom

2006, 2004 National Institutes of Health, Kidney, Nutrition, Obesity and Diabetes Epidemiology Special Emphasis Panel (KNOD)

2006 National Institutes of Health, Clinical and Translational Science Award - NCRR Special Emphasis Panel (CTSA)

2006 National Institutes of Health, Epidemiology of Cancer (EPIC) Conflict of Interest Special Emphasis Panel, Chair

2002-2004 National Institutes of Health, full member of Epidemiology and Disease Control-2 (EDC2)

2001 Royal Society of New Zealand, Center for Research Excellence Fund

1998 American College of Sports Medicine, Research Foundation Grants

1996 American College of Sports Medicine, Healthy People 2000 Research Grants

1993 Centers for Disease Control and Prevention, Statistical Research in Minority Population

Program or Project Development:

2004-present Emerging Risk Factor Collaboration; John Danesh, Adam Dickinson, University of Cambridge, Cambridge, United Kingdom

2002-present The Diverse Population Collaborative Group; Dan McGee, Florida State University

2000-present Montgomery County Latino Health Initiative, Senior Technical Advisor

2000 Pan-American Health Organization, Carmen/Cindi Working Group on Physical Activity

1998-2004 National Heart, Lung, and Blood Institute, Pan-American Health Organization, Forgarty International Institute, Pan-American Hypertension Initiative, Organizing Committee

1997 National Heart, Lung, and Blood Institute, Hispanic Working Group

1996-1997 Ad Hoc Committee on Minority Populations, NHLBI, support staff

1995-1997 National Asthma Education and Prevention Program, support staff

1995-1997 National High Blood Pressure Education Program, support staff

1995-1997 Coronary Heart Disease in Blacks Initiative, NHLBI

1995-1997 Latino Cardiovascular Disease Prevention and Outreach Initiative, NHLBI

1995-1996 NIH Consensus Development Conference on Physical Activity and Cardiovascular Health, support staff

1993-2001 Strategic Health Initiative for National Health Objectives, ACSM

Consultation:

- 2003-2005 Musicians United for a Superior Education, Leap and Learn Project, in partnership with Blue Cross Blue Shield and Rite Aid.
- 2000-2002 Wyeth-Ayerst Laboratories. Descriptive Epidemiology of the Relationship between diabetes mellitus and use of female hormone replacement therapy in a national cross-sectional sample of U.S. women 40-74 years old.
- 1997-2002 Centers for Disease Control and Prevention, Task Force, Physical Activity Chapter, Guide to Healthy Communities
- 1997-1998 Prevencion Inc. Data Analysis for assessing demographic profile of listeners of Spanish-language health promotion programming

HONORS and AWARDS:

- 2008 Oregon Master of Public Health Faculty Excellence in Research Award
- 2006 Toxic Waste Lupus Coalition of Buffalo NY, Environmental Stewardship Award
- 2005 Loma Linda University School of Public Health Alumnus of the Year
- 2003 Minority Health Scholar, National Institutes of Health, National Center for Minority Health and Health Disparities
- 2002 Montgomery County, Maryland. Community Partnership Leadership Award for Latino Health Initiative
- 1999 National Institute on Aging Award Technical Workshop, Aging Research winning presentation
- 1999 National Institute on Aging, Travel Award to Gerontological Society of America
- 1998 American University, College of Arts and Sciences, Mellon Travel Award
- 1997 U.S. Dept of Health and Human Services, Secretary's Award for Distinguished Service
- 1995 American College of Sports Medicine, Fellow Status
- 1990 International Federation of Sports Medicine, Associate Member
- 1990 American Heart Association, Puerto Rico Chapter, Meritorious Award
- 1986-1989 Public Health Service Traineeship, Loma Linda University
- 1986 Texas Tech University, Certificate of Scholarship Award
- 1980 Inter-American University, Outstanding College Graduate Award

RESEARCH GRANT PARTICIPATION

Active

Title: The Portland Bridges to Baccalaureate

Years: 09/30/08-08/31/13

Principal Investigator: Carlos J. Crespo, DrPH

Sponsoring Agency: National Institutes of Health, NIGMS

Main grant objective: The aim of this grant is to promote advancement to completion of bachelors degree among underrepresented minority students from Portland Community College to attend Portland State University in the areas of biomedical or behavioral sciences.

Title: The University of Puerto Rico-Roswell Park Cancer Epidemiology Partnership

Years: 4/1/03-8/31/08, (Effort: 25%)

Principal Investigator: Carlos J. Crespo

Sponsoring Agency: National Institutes of Health, National Cancer Institute

Main grant objective: This is a planning grant to coordinate cancer epidemiology research to develop career opportunities for minority researchers.

Title: Health Disparities Student Loans Repayment Program

Years: 10/1/03-9/30/09

Principal Investigator: Carlos J. Crespo

Sponsoring Agency: National Institutes of Health, National Center for Minority Health and Health Disparities

Main grant objective: This is a competitive award that covers payment from debts of student loans among researchers investigating health disparities.

Title: Physical Activity Assessment in Older Adults

Years: 09/01/08-08/31/09

Principal Investigator: Carlos J. Crespo

Sponsoring Agency: Oregon Center for Aging and Technology. National Institutes of Health

Main grant objective: The aim of this grant is to better ascertain intensity of physical activities among older adults during daily activities.

Title: Obesity and All Cause Mortality among Hispanics Subgroups

Years: 09/01/08-08/31/10

Principal Investigator: Kevin Fountaine, PhD

Sponsoring Agency: National Institutes of Health, NIDDK

Main grant objective: The aim of this grant is to assess the association of body mass index and other anthropometric measurements with all cause mortality in different cohorts of Hispanics subgroups.

Past:

Title: The Oregon Physical Activity and Dementia Study

Years: 2.1.2007-1/31/2008

Principal Investigator: Carlos J. Crespo

Sponsoring Agency: State of Oregon, Oregon Tax Check-Off Grant Program

Main grant objective: This is a feasibility grant to examine the role of physical activity in the prevention of Alzheimer's. In this grant recruitment, protocol, personnel and instruments will be tested to study the feasibility of a randomized control trial using older adults participating in the Senior Adult Learning Center.

Title: Alcohol, Mortality in Multiethnic US population

Years: 10/04-06, Effort (15%)

Sponsoring Agency: NIH, National Institute of Alcoholism and Alcohol Abuse

Principal Investigator: Carlos J. Crespo

Main grant objective: This project proposes to study the effect of alcohol consumption with cardiovascular mortality using a random sample of US population who took part in the National Health Interview Survey and are part of a longitudinal mortality follow up.

Title: The Puerto Rico Cancer Mortality Feasibility Study

Years: 9/1/99-8/31/00

Sponsoring Agency: National Institutes of Health, National Institute on Aging

Principal Investigator: Carlos J. Crespo

Main grant objective: To assess the feasibility of using three different sources of cancer mortality among participants of the Puerto Rico Heart Health Program. Future research will study the effect of diet and lifestyle on cancer mortality in this cohort of men.

Title: Cancer Epidemiology Training Program

Years: 5/1/1998-12/31/2002 (Steering Committee member)

Sponsoring Agency: NIH, National Cancer Institute,

Principal Investigator: John Vena

Main grant objective: This is a training grant in medical sociology, epidemiology, prevention and control of cancer through a collaboration between the Roswell Park Cancer Institute and the Department of Social and Preventive Medicine of University at Buffalo.

Title: Community Based Research of Autoimmune Disease and Asthma

Years: 9/01-06, Effort (15%)

Sponsoring Agency: NIH, National Institute of Environmental Health

Principal Investigator: John Vena (2001-02) Carlos J. Crespo (2002-05)

Main grant objective: This project proposes to continue community participatory research projects currently underway in two targeted communities in Buffalo: 1) a community on Buffalo's east side concerned with pollution from toxic waste sites and point sources of pollution and a cluster of autoimmune disease, and 2) a west-side community of Buffalo near a high-traffic corridor with elevated exposures to diesel exhaust and documented higher prevalence of asthma.

Title: Prostate Cancer Mortality in Puerto Rican Men: The Effect of Body Habitus and Physical Activity

Years: 2/1/02-1/31/05, (Effort 15%)

Sponsoring Agency: US Army Material Research Command

Principal Investigator: Carlos J. Crespo

Main grant objective: This proposal will study prospectively the effect of excess body weight, body fat and physical inactivity on prostate cancer mortality in Puerto Rican Men from the Puerto Rico Heart Health Program Study.

Title: Western New York Health Risk Appraisal

Years: 11/1/03-10/31/06, (Effort: 18%)

Principal Investigator: Amber Slichta

Sponsoring Agency: Health for All of Western New York

Main grant objective: This is a community health assessment of the 8 counties of Western New York to assess general health status, insurance participation and access to care.

Title: Diet and Cancer in Puerto Rican men

Years: 9/1/03-8/31/07, (no cost extension)

Principal Investigator: Carlos J. Crespo

Sponsoring Agency: National Institutes of Health, National Cancer Institute

Main grant objective: This is a small grant to study the relationship of legume intakes and prostate cancer in Puerto Rican men.
