Introduction to Asian Studies

Connie Earnshaw

June 21-August 11, 4 credits

MW 2-3:15 CH 101

This course introduces students to the study of diverse cultures and societies in Asia through history, literature, anthropology, and geography. Contemporary issues related to the political, cultural, and economic transformation of Asia in the twentieth century are discussed in light of tradition and its place in Asian societies as well as the powerful forces of modernity.
