

UTRN  
Swirl – Advanced Coding Scheme

**Swirl Linear**

- Students who began at community college and co-enrolled before attending PSU continuously.
- Students moved among community colleges before attending PSU continuously.
- Continuous attendance at PSU may include a one-term return to the CC.

**Swirl CC**

- Students who attended more than one Portland Metropolitan area community college but did not enroll at PSU. This includes students who co-enroll at more than one CC in a term.

**Swirl Complex**

- Students who engaged in a combination of co-enrollment at a CC and PSU, co-enrollment at multiple community colleges, or moved among PSU and more than one community college.

**Swirl Co-enroll**

- Students who enrolled primarily at the community college but also co-enrolled at PSU.
- Co-enrollment is their only attendance at PSU.

**Undetermined**

- Pattern undefined at this point

Note: These data include enrollment information from MHCC, PCC, PSU, and other metro community colleges. Student enrollment at other institutions is not reflected here.
