

**UTRN Data Committee Meeting
11/29/06**

Cohort Definition Discussion

Current definition:

Students at MHCC or PCC who were:

- Enrolled for summer or fall of 1999 or 2000
- Taking credit-bearing courses for the first time (tracked back to 1996)
 - New students with no history at the CC
 - Students who had previously taken non-credit courses

Discussion points:

- Students with college enrollment prior to Summer 1999
 - Matched to PSU data (1980 – 1999)
 - 297 MHCC
 - ~900 PCC
 - Tracked through the National Student Clearinghouse (1989 – 1999)
 - 2129 MHCC
 - 6140 PCC
- Students with enrollment in only their initial term at CC and no record at PSU
 - 12963 total
 - 4665 earned no credits
 - Should we track them through the other CC?
- Students with no credits earned at the CC
 - 5628
