

Overall Description

Parkway Residence Hall (PRKW) can only be entered by stairwells located on the east exterior portion of the building to the north and south. Floor 1 of PRKW has an elevator located in corridor C101 immediately south of the main lobby L126. The main lobby L126 is bordered on the north by corridor C100 with access to suite 101, rooms 103 through 111, and rooms 122 through 124, on the east by the building main entry door, on the south by corridor C101 with access to the elevator, suite 116, and rooms 112 through 121, and on the west by stairwell S105 at the north end of the corridor and by the building secondary exit to Market Street. A set of stairs is required to access the main lobby L126 from the main entry door. A set of stairs is required to access Market Street from the rear courtyard exit. Corridor C100 is bordered on the north by rooms 103 through 105 and rooms 122 through 124, on the east by suite 101, and on the south by the main lobby L126 at the east end of the corridor and rooms 106 through 111. Corridor 101 is bordered on the north by the main lobby L126, suite 116, and rooms 112 through 115, on the east by room 121, on the south by rooms 117 through 120, and on the west by the emergency exit with stairs to the rear parking lot.

Restrooms

PRKW has no public restroom access throughout the entire building.

Wheelchair Accessible Entrances and Exits

PRKW has no wheelchair accessible entrances or exits into the building.

Elevators

The only elevator is located at the east end of corridor C101 immediately south of the main lobby L126. Elevator provides access to all floors.

Stairs

A set of stairs divides the exterior entry vestibule V126 from the main lobby L126. A set of stairs accesses Market Street from the Parkway rear courtyard. A set of emergency stairs provides emergency egress from the emergency exit door at the west end of corridor C101. Stairwell S105 is accessible from the north end of the main lobby L126 through a door on the west wall.

Overall Description

On Floor 2 of PRKW the elevator is located in corridor C201 immediately south of corridor C202. Corridor C202 is bordered on the north by corridor C200 with access to suites 201 through 205, on the south by corridor C201 with access to the elevator, suites 206 through 210 and emergency exit, and on the west by stairwell S205 at the north end of the corridor. Corridor C200 is bordered on the north by suites 202 and 203, on the east by suite 201, and on the south by corridor C202 at the east end of the corridor with access to stairwell S205 and by suites 204 and 205. Corridor C201 is bordered on the north by the elevator at the east end of the corridor, corridor C202 at the east end of the corridor with access to stairwell S205 and by suites 206 and 207, on the east by suite 210, on the south by suites 208 and 209, and on the west by the emergency exit with access to emergency stairs for emergency egress.

Restrooms

PRKW has no public restroom access throughout the entire building.

Wheelchair Accessible Entrances and Exits

PRKW has no wheelchair accessible entrances or exits into the building.

Elevators

The only elevator is located at the east end of corridor C201 immediately south of corridor C202. Elevator provides access to all floors.

Stairs

A set of emergency stairs provides emergency egress from the emergency exit door at the west end of corridor C201. Stairwell S205 is accessible from the north end of corridor C202 through a door on the west wall.

Overall Description

On Floor 3 of PRKW the elevator is located in corridor C301 immediately south of corridor C302. Corridor C302 is bordered on the north by corridor C300 with access to suites 301 through 305, on the south by corridor C301 with access to the elevator, suites 306 through 310 and emergency exit, and on the west by stairwell S305 at the north end of the corridor. Corridor C300 is bordered on the north by suites 302 and 303, on the east by suite 301, and on the south by corridor C302 at the east end of the corridor with access to stairwell S305 and by suites 304 and 305. Corridor C301 is bordered on the north by the elevator at the east end of the corridor, corridor C302 at the east end of the corridor with access to stairwell S305 and by suites 306 and 307, on the east by suite 310, on the south by suites 308 and 309, and on the west by the emergency exit with access to emergency stairs for emergency egress.
