

Overall Description

Keycard access is required to access the University Services Building. On the basement floor B1, the only elevator E1 is located in corridor C1 near the center on the west side of the building. Corridor C1 is bordered on the east by suites 5 and 10 and room 6, on the south by stairwell S1 with access to all floors, and on the west by elevator E1 and rooms 1 through 4. Access to suites 10, 20, and 30 is restricted. Ask for assistance to access the university warehouses.

Restrooms

There are no restrooms located in the basement of the University Services Building. Restrooms are available on floors 1 through 4.

Wheelchair Accessible Entrances and Exits

Wheelchair access to basement floor B1 is made via elevator E1 from first floor, Floor 1.

Elevators

The only elevator E1 is located toward the north end on the west wall of corridor C1 near the center of the west side of the building. This elevator provides access to all floors.

Stairs

Stairwell S1 is located at the south end of corridor C1 in the southwest corner of the building. This stairwell provides access to all floors.

The following spaces are restricted access: A ramp divides suites 10 and 30 near the center of the building. Stairwell S2 is located in the southeast corner of suite 30 near the center of the east side of the building. This stairwell provides access to all floors.

Overall Description

On Floor 1 of the University Services Building, the elevators are located at the west end of corridor C103 near the center of the west side of the building. Corridor C103 is bordered on the north at the west end of the corridor by suite 115, near the center by corridor C102 with access to corridor C104 and rooms 110 and 112, and at the east end of the corridor by corridor C105 with access to the main wheelchair accessible entry vestibule V102, on the east by locker room 109, on the south by suite 111, and on the west by elevator E101 with access to all floors, stairwell S101 with access to all floors, all-gender restroom 111E, suites 111 and 115, and rooms 111C, 111D, and 113. C102 is bordered on the north by corridor C104 with restricted access to corridor C107, suite 114, and rooms 102 and 108, on the east by room 110, on the south by corridor C103 with access to corridor C105, elevator E101, stairwell S101, all-gender restroom 111E, suites 111 and 115, and rooms 111C, 111D, 109, and 113, and on the west by room 112. Vestibule V102 is bordered on the north by corridor C101 with restricted access to corridor C107, men's restroom 106, and rooms 102, 103, and 107, on the east by the main accessible entry from 6th Street, and on the south by corridor C105 with access to corridor C103.

Restrooms

All-gender restroom 111E is located at the west end of corridor C103 near the center of the west side of the building to the south of elevator E101. Men's restroom 106 is located near the center on the east side of corridor C101 in the northeast quadrant of the building. This restroom is in a restricted access area.

Wheelchair Accessible Entrances and Exits

Wheelchair entry to the building can only be made via the 6th Avenue entrance on the first floor east side of the building, via the fourth floor entrance from Parking Structure 2 on the north side of the building, or via the skybridge entrance on the fourth floor southwest corner of the building. Wheelchair users on the first floor can proceed to the west via corridor C103 from the main wheelchair accessible entry vestibule V102 to elevator E101. Alternatively, wheelchair users on the fourth floor can proceed north from the skybridge vestibule V401 or south from the parking structure entrance to elevator E401 on the west wall toward the north end of corridor C401

Elevators

The only elevator E101 is located at the west end of corridor C103 near the center of the west side of the building, west from the main wheelchair accessible entrance in vestibule V102. This elevator provides access to all floors.

Stairs

Stairwell S101 is located at the far southwestern end of corridor C103 in the southwest corner of the building. This stairwell provides access to all floors. Stairwell S102 is located near the center

of the east side of the building on the outside, immediately east of the main accessible entry vestibule V102.

Overall Description

On Floor 2 of the University Services Building, the elevator E201 is located in corridor C201 near the northwest corner of the floor. Corridor C201 is bordered on the north by stairwell S204 with access to Parking Structure 2, on the east by suite 202, on the south by V201 with access to stairwell S201, and on the west at the north end of the corridor by room 207, toward the north end of the corridor by elevator E201, near the center by room 205, and toward the south end of the corridor by women's restroom 201 and men's restroom 203.

Lobby L202 to suite 202 is bordered on the north by office 202C, meeting room 202D, and corridor C202 with access to offices 202E, 202G, and 202J and corridor C203, on the east by office 202E, on the south by corridor C204 with access to offices 202P through 202Z, office 204, room 202T, and corridor C203. Corridor C202 is bordered on the north by offices 202C, 202G, and 202J and meeting room 202D, on the east by meeting room 202K and corridor C203 with access to meeting room 202K, offices 202H, 202M, and 202N, and corridor C204, on the south by office 202E and lobby L202, and on the west by corridor C201. Corridor C203 is bordered on the north by meeting room 202K and corridor C202 with access to corridor C201, lobby L202, offices 202C, 202E, and 202G, and meeting room 202D, on the east by offices 202M and 202N, on the south by corridor C204 with access to offices 202P through 202Z, office 204, and room 202T, and on the west by office 202H. Corridor C204 is bordered on the north by lobby L202, room 202T, offices 202R and 202E, and corridor C203 with access to corridor C202, meeting room 202K, and offices 202H, 202M, and 202N, on the south by offices 202P, 202Q, 202S, 202U, 202W, 202X, 202Y, and 202Z, and on the west by office 204.

Restrooms

Restrooms are located south of center on the west wall of corridor C201 on the west side of the building. Women's restroom 201 is located to the south, and men's restroom 203 is located to the north.
