

Overall Description

On Floor 1 of Peter Stott Center & Viking Pavilion the only public elevator is in the northeast corner of the building in the main lobby L111.

The main lobby L111 is bordered on the north by the only fully accessible entrance vestibule V111 and elevator E101; on the east by public lounges 111 and 111A and stairwell S111 with access to all floors; on the south by corridor C101; and on the west by the cafe (room 107) and corridor C104.

Corridors C101 through C104 form a ring around the sports arena/pavilion (room 110) with C101 on the east side and the corridors circling 110 clockwise. Classrooms, public restrooms, and other support spaces form a ring around the corridors. A labyrinth of restricted access spaces tangle to the west of corridor C103. Ask for assistance to access these spaces.

- Corridor 101 is bordered on the north by the main lobby L111; on the east by women's restroom 113, all-gender family restroom 114, men's restroom 115, and classrooms 122 through 126; on the south by corridor C102; and on the west by the sports arena/pavilion (room 110).
- Corridor C102 is bordered on the north by the sports arena/pavilion (room 110); on the east by corridor C101; on the south by rooms 128, 132, 134, 136, and 138; and on the west by corridor C103.
- Corridor C103 is bordered on the north by corridor C190 and corridor C104; on the east by sports arena/pavilion (room 110); on the south by stairwell S104 and corridor C102; and on the west by rooms 142, 146, 148, 152, 154, 156, stairwell S103, room 158, and corridor C160. All spaces west of corridor C103 are restricted to student athletes and Viking Athletics staff.
- Corridor C104 is bordered on the north by rooms 101, 103, 104, 105, 107, and lobby L111; on the east by public lounges 111 and 111A; south by the sports arena/pavilion (room 110) which is not accessible from this corridor; and on the west by corridors C103 and C190.

Restrooms

Restrooms are located in corridors C101, C102, and C103.

- Corridor C101 holds women's restroom 113, an all-gender family restroom 114, and men's restroom 115.
- Corridor C102 holds men's restroom 134 and women's restroom
- Corridor C103 has all-gender restroom 144 is located in corridor C103.

Women's restroom 113 is at the north end of corridor C101 on the east side of the corridor with the all-gender family restroom 114 and men's restroom 115, following in numerical order to the south of women's restroom 113.

Men's restroom 134 and women's restroom 136 are located between classroom 132 and 138 at the west end of corridor C102 on the south side of the corridor.

The all-gender restroom 144 is at the south end of corridor C103 just north of corridor C102 on the east side of the corridor.

Wheelchair Accessible Entrances and Exits

Wheelchair entry to the building can only be made via the first-floor vestibule V111 at the northeast corner of the building. After passing through vestibule V111, the elevator E101 is located immediately to the left on the north end of the main lobby L111.

Elevators

The only elevator in the building (E101) is located in the northeast corner of the building immediately east of vestibule V111 at the north end of the main lobby L111.

Stairs

Stairwell S101 is located at the northwest corner of gymnasium 165. This stairwell has access to all floors (no public access).

Stairwell S102 is located to the south of corridor C163 and to the east of corridor C164. This stairwell has access to all floors (no public access).

Stairwell S103 is located in the middle of corridor C103 to the west side of the corridor. This stairwell has access to all floors (no roof access).

Stairwell S104 is located to the south of corridor C103. This stairwell has access to all floors (no roof access).

Stairwell S111 is located immediately to the east of the main lobby L111. This stairwell has access to all floors (no roof access).

Overall Description

Floor 2 features the building's two main entry points.

- The building's accessible front entry off the Park Blocks is towards south side of the building. This entry opens to the west into the lobby/ticketing area (L226) and the sports arena/pavillion's bleacher seating; to the north into corridor C201 with access to the elevator (E201); and corridor C202 to the south.
- The accessible entry off of College Street on the north side of the building towards the center opens south into the Viking Hall of Fame lobby L200 and stairwell S203. To the east of L200 is corridor C203; to the south-west corridor C263; and to the west room 262 and the practice gym (266).

The elevator is in the northeast corner of the building in elevator lobby 211. The elevator lobby 211 is bordered on the north by elevator E201; on the east by stairwell S211 with access to all floors; on the south by room 222, sports arena/pavilion 210, and corridor C201; and west by corridor C204.

Ticketing L226 is bordered on the north by corridor C201 with access to elevator lobby 211, stairwell S211, room 222, and sports arena/pavilion 210, on the east by upper terrace L226A, and on the west by corridor C202 with access to women's restroom 234, lounge 236, sports arena/pavilion 210, and concessions 238.

Corridors C201 through C204 form a ring around the sports arena/pavilion (room 210) with C201 on the east side and the corridors circling 210 clockwise. Classrooms, public restrooms, and other support spaces form a ring around the corridors.

- Corridor C201 is bordered on the north by elevator lobby 211 and stairwell S211 with access to all floors; on the east by upper terrace L226A; on the south by ticketing L226; and on the west by sports arena/pavilion 210.
- Corridor C202 is bordered on the north by sports arena/pavilion 210, women's restroom 234, lounge, and concessions 238; on the east by ticketing L226; and on the west by corridor C203 and stairwell S204.
- Corridor C203 is bordered on the north by lounge 201 and corridor C204; on the east by sports arena/pavilion 210; on the south by stairwell S204 and corridor C202; and on the west by men's restroom 241, corridor C240, and second floor main lobby L200.
- Corridor C204 is bordered on the north by lounge 201, men's restroom 203, women's restroom 204, concessions 207; on the east by elevator lobby 211; on the south by sports arena/pavilion 210, meeting room 210N, and skyboxes 202 and 205; and on the west by second floor main lobby L200 and corridor C203.

Corridor 240 is a short connecting corridor. To its north are rooms 242, 243, 244, 245, and 246; east to corridor C203; and west to corridor C263.

Corridor C263 is south-east of the Viking Hall of Fame lobby L200 and the north entry to its north. To its east is suite 250, corridor C240, and women's restroom 247; south to stairwell S205 and an exit door; and west to suite 248, stairwell S202, practice gym (266), and room 262.

Restrooms

Restrooms are located in corridors C202, C203, C204, and C243.

- Corridor C202 holds women's restroom C234 at the east end of its north side.
- Corridor C203 holds men's restroom 241 at the south end of its west side.
- Corridor C204 holds men's restroom 203 and women's restroom 204 on its north side.
- Corridor C243 holds women's restroom 247 at the south end of its east side.

Wheelchair Accessible Entrances and Exits

There are three wheelchair accessible entries on the second floor.

1. Via the elevator E201;
2. The ramp on the Park Blocks side towards the south-east corner of the building; and
3. Another ramp on the northside entry of the building into the Viking Hall of Fame lobby area L200.

Elevators

Elevator in the building E201 is located in the northeast corner of the building in the northeast corner of elevator lobby 211.

Stairs

- Stairwell S201 is located at the southwest corner of sports arena/pavilion 266. This stairwell has access to all floors (no public access).
- Stairwell S202 is located near the middle on the west side of corridor C243. This stairwell has access to all floors (no public access).
- Stairwell S203 is located in the southeast corner of the second floor main lobby L200. This stairwell has access to all floors (no roof access).
- Stairwell S204 is located to the south of corridor C203. This stairwell has access to all floors (no roof access).
- Stairwell S211 is located in the northeast corner of the second floor. This stairwell has access to all floors (no roof access).
