

# The Challenge Program

Riverdale High School 2024–25

## PSU's Challenge Program

Challenge is a nationally accredited dual credit program offering Portland State University (PSU) college courses at Riverdale. In addition to earning college credit at a greatly discounted rate, Challenge students have access to PSU services, including student ID cards, computer accounts, and the library with its online databases. A 3.0 cumulative GPA is required to participate in Challenge to help ensure students are prepared for the rigor and expectations of a college course.

## Registration

Make sure to read the instructions before you begin! There are some differences to the process based on whether you are a new or returning Challenge student.
