Please list three faculty who can serve as references:

- 1)
- 2)
- 3)

Please attach a one-page essay outlining what your research area of interest is. In addition, please identify what kind of support you would expect from your faculty advisor. Note that while it is highly desirable for applicants to have pre-identified a specific research project, it is not a requirement for applying.

Please submit this form, your essay and a copy of your most recent DARS report to Dr. Jeff Gerwing at jgerwing@pdx.edu. Applications are due no later than the Friday of the sixth week of classes the term prior to the start of the Honors program.
