

# KYU RI KIM

1809 SW 11 Avenue, Apt 401, Portland, OR 97201  
Mobile: (503)380-1845 E-mail: kyuri@pdx.edu

## EDUCATION

---

### Portland State University

Ph.D. program in Urban Studies

Sep. 2018 - Current

### Yonsei University

M.S. in Urban Planning and Engineering

Feb. 2015

B.S. in Urban Planning and Engineering

Feb. 2013

## WORK EXPERIENCE

---

### Portland State University

Graduate Research Assistant

Portland, Oregon  
Sep. 2019 – Current

- Descriptive analysis and hedonic analysis for the Active Transportation Return on Investment project
- Bibliographic data analysis and visualization for the project: NCHRP 20-123(02) Research Roadmap for the AASHTO Council on Active Transportation
- Data analysis and visualization for the BikePed Portal dashboard
- OHSU census data analysis and visualization

Graduate Teaching Assistant

Apr. 2019 – Jun. 2019

- Graded students' weekly post and midterm examination
- Presented and had a Q&A session about a smart city case study (the city of Sejong)

### Kangho Engineering Architect Associates Co., Ltd.

Seocho-gu, Seoul  
Mar. 2016 – Apr. 2018

- Participated in the design plan for the apartment in Busan
- Participated in the design plan for the Yongin Suji Daerim e-Pyeonhansesang Apartment in Yongin-si, Gyeonggi-do, Republic of Korea

### Korea Environment Institute

Researcher

Sicheong-daero, Sejong-si  
Sep. 2014 – Dec. 2015

- Researched and published *Bridging Livable City Development over Local Climate Smart Development under UN SDGs*
- Researched and published *Establishment of Cooperation Strategies with Megadiverse Countries*
- Prepared for the *International Seminar on Multilateral Cooperation on Biodiversity*

### Yonsei University

Teaching Assistant

Seodaemun-gu, Seoul  
Spring/2013, Fall/2013, and Spring/2014

- Prepared for the Urban Form and History(CRP2630) class and graded tasks of 48 students in the class
- Prepared for the Land Use Planning and Design(CRP2730) class and taught and graded 20 students how to express the idea of site planning for the case study in the class
- Prepared for the Urban Air Pollution(CRP3640) class, assessed team projects, and graded 11 students' quizzes in the class

Research Assistant

Mar. 2013 – Sep. 2014

- Researched for the *Smart City Project for Efficient Operation and Management of Information Resource*
- Researched for the *Feasibility Study on Introduction of Residential Occupancy in Lotte World Mall* supported by Architecture and Urbanism Design Group
- Participated in *A Study on the Development and Application of Facility with Optimal Defense Technology Related Landslide Warning System* supported by KONJU NATIONAL UNIVERSITY INDUSTRY-UNIVERSITY COOPERATION FOUNDATION

### Seoul Development Institute (Current – The Seoul Institute)

Research Assistant

Seocho-gu, Seoul  
Jun. 2012 – Jul. 2012

- Built and standardized current base data of factual survey in the redevelopment district
- Prepared for the *New Housing Regeneration Policy Workshop*

### Ministry of Land, Transport and Maritime Affairs

(Current – Ministry of Land Infrastructure and Transport)

Administrative Intern (unpaid)

Gwacheon-si, Gyeonggi-do  
(Current – Doum 6-ro, Sejong-si)  
Dec. 2011 – Feb. 2012

- Organized the final research report of Korea Urban Renaissance Center (KURC) (6<sup>th</sup> year)
- Promoted and supported for the revision of the Urban Development Act
- Organized materials about Special Act on Promotion of and Support for Urban Regeneration

## PUBLICATION AND PRESENTATION

---

### Paper and Research Report

- Kyuri Kim**, Jeasun Lee. 2016. "Pedestrian Cognition and Satisfaction on the Physical Elements in Pedestrian Space". Journal of the Urban Design Institute of Korea, 17(3): 89-103.
- Hoon Chang, **Kyuri Kim**. 2015. Bridging livable city development over local climate smart development under UN SDGs. Sejong: Korea Environment Institute.
- Hoon Chang, **Kyuri Kim** et al. 2015. Establishment of Cooperation Strategies with Megadiverse Countries. Incheon: National Institute of Biological Resources.

### Presentation

- Yonghee Kim, **Kyuri Kim**, and Jeasun Lee. "Pedestrian's Cognition and Satisfaction on the Physical Elements in sidewalk." Paper presented at 2015 Spring Conference Urban Design Institute of Korea, Chung-Ang University, Seoul, April 11, 2015.
- Kyuri Kim**, Byungjoon Jeon, Yuri Kim, and Jeasun Lee. "An Analysis of IPA and Design Factors for Enhancing Publicness in Underground Plaza." Paper presented at 2014 Spring Congress Korea Planning Association, Hanyang University, Seoul, April 26, 2014.
- Seungjoon Yoo, **Kyuri Kim**, and Jeasun Lee. "A Foreign Case Study Analysis of Landslide Warning System as Resilience City." Paper presented at 2014 Spring Congress Korea Planning Association, Hanyang University, Seoul, April 26, 2014.
- Kyuri Kim**, Hyejin Lee, and Jeasun Lee. "A study on environmental design for a safe campus village from crime: Based on Resident's Perception and Fear of Crime." Paper presented at 2013 Autumn Conference Urban Design Institute of Korea, Pusan National University, Busan, November 9, 2013.
- Hyejin Cho, Jooyeon Eun, **Kyuri Kim**, and Jeasun Lee. "A Strategic Proposition for the Improvement of Pedestrian Environment in a Campus Town: In Case of Yonsei-Ro, Seodaemun-Gu." Paper presented at 2012 Autumn Conference Urban Design Institute of Korea, Cheongju University, Cheongju-si, October 20, 2012.

## HONORS AND AWARDS

---

- Transportation Research and Education Center's 2021-2022 Excellence in Active Transportation Scholarship** *Mar. 18<sup>th</sup> 2021*
- Nohad and Dirce Toulan Endowed Scholarship** *Mar. 16<sup>th</sup> 2021*
- National Institute for Transportation and Communities (NITC) Scholar** *Mar. 23<sup>rd</sup> 2020*
- Top Award, 2015 Spring Conference Urban Design Institute of Korea, Urban Design Institute of Korea** *Apr. 11<sup>th</sup> 2015*
- Title of paper: Pedestrian's cognition and satisfaction on the physical elements in the sidewalk
- Top Award, 2013 Autumn Conference Urban Design Institute of Korea, Urban Design Institute of Korea** *Nov. 9<sup>th</sup> 2013*
- Title of paper: A study on environmental design for a safe campus village from crime - Based on Resident's Perception and Fear of Crime
- Honorable Mention, 4th Urban Design Competition, Urban Design Institute of Korea** *Nov. 9<sup>th</sup> 2013*
- Title of work: Tongyeong, Si
  - Team members: Donghyeon Kim, **Kyuri Kim**, and Sanghun Han
- Honorable Mention, 4th Crime Prevention Through Environment Design (CPTED) Idea Student Competition, Korea CPTED Association** *Nov. 8<sup>th</sup> 2013*
- Title of work: Somebody is walking around campus
- 3<sup>rd</sup> Place, 6th Student Portfolio Competition, Accreditation Board for Engineering Education of Korea** *Oct. 24<sup>th</sup> 2012*
- Excellence Award, 2012 Creative Challenge Exhibition, Engineering College of Yonsei University** *May. 30<sup>th</sup> 2012*
- Title of work: Yeon In-Improvement for Walking Environment & Creation of Campus Culture
  - Team Members: **Kyuri Kim**, Jooyeon Eun, and Jihye Han
- 2<sup>nd</sup> Place, The 4th Yonsei Engineering Portfolio Competition, Engineering College of Yonsei University** *May. 30<sup>th</sup> 2012*
- Research Assistant Scholarship** *Spring/2013, Fall/2013, and Spring/2014*
- National Science and Technology Scholarship** *Spring/2010*

## QUALIFICATION AND COMPUTER SKILLS

---

- National Technical Qualification** *Dec. 14<sup>th</sup> 2012*
- Engineer Urban Planning, Human Resources Development Service of Korea
- Computer Skills**
- Design: Illustrator, Photoshop, Auto CAD, and SkethUp
  - Geographic Information System(GIS) & Statistical programs: ArcGIS, SPSS, and R
